

JATIN

FIGMA DESIGNER (UI/UX)

Bhopal , MP | jattfact@gmail.com | 7470411400 | www.linkedin.com/in/jatin-423637338

SUMMARY

Driven by curiosity and clarity, I design with purpose — turning ideas into smooth, meaningful experiences. I believe in simplicity, empathy, and innovation as the heart of every great interface. Looking to contribute and grow in a team that designs not just for users, but with them.

TECHNICAL SKILLS

Prototyping	Interaction Design	creative design
User Research	Visual Design	Responsive Design
CSS	JS	HTML

PROJECTS

- 1. WhatsApp UI Clone & Desktop Business WhatsApp**

Recreated the WhatsApp interface with clean components, focusing on layout structure, spacing, usability, and consistency. Designed a desktop business version with improved message flow and organized conversation hierarchy
